

HILL AND MOUNTAIN WALKING CLUB

We return to the same venue as last year. The centre is well appointed and well equipped for all our needs. The cost of the weekend is inclusive of staying Sunday night **free**. This means rushing out after the AGM meeting on Sunday morning is not necessary. Arrival time Friday **AFTER 3PM**.

The centre sleeps 40 and we have full use of the car park, which can accommodate up to 12 motorhomes if we park sensibly. However there are **NO** van facilities i.e. electric hooks ups or waste disposal points. The big camping field has now been used for a wooden chalet, so only backpacking tents can be accommodated around the site. Those taking vans or tents have full use of the centre facilities toilets, showers sitting rooms etc.

The centre has bedrooms of 2, 3 and 4 beds. Most have divan beds, with only two bunk beds. **ALL BEDDING IS PROVIDED**. However, you will need to bring your own towels.

The centre has a small pool table, table football, CD player and piano. It also has an audio visual room with DVD player and screen if we want to do the usual picture show on Friday evening. Volunteers are required to organise this and for club members to provide the photos.

Alcohol is allowed, but none is available to purchase at the centre and there is no pub within easy walking distance. So **ALL ALCOHOL** needs to be taken in. We will of course have the usual barrels of beer provided. Some wine **will be provided** for Saturday evening as it's the 30th AGM dinner, any additional alcohol will need to be provided by yourselves

An organised walk on Saturday will be led by Barbara Sanders approximately 10 to 12miles.

The Centre for those with no Sat Nav can be found by leaving the M65 at its very end (roundabout with Boundary Mill / Barneys Fish Restaurant opposite) take the second exit off the roundabout, (Colne town centre), up to the next roundabout take first exit off the roundabout. Travel approximately a third of a mile and take a B road on your right, go under the railway line and turn right. You should be going uphill for just over half a mile then the road turns to the right, continue on this road, taking a left bend, continue until you come to a little cross roads, go straight across (it is sign-posted Coldwell).

You should have reached your destination.

Then as you go up the hill you will see the church in front of you, it's a little staggered right junction, but you need to be going up the narrow road alongside the church.
